February 2024

Dear Artists,

AAUW (American Association of University Women) invites you to join us for the **66th AAUW Art Fair on the Green** on Saturday, July 27, 2024, a 1 day event. This scholarship fundraiser has provided over \$600,000 in scholarships over the years to local students to continue their learning in area institutions of higher education.

The grassy, level courtyard at Viterbo University provides a beautiful setting for our popular show. There are shady as well as sunny spots available. Our all volunteer staff supports you with booth sitters and free parking is provided for cars and trailers.

Art Fair on the Green is well advertised and well attended. All proceeds from sales go directly to the artist.

Enclosed with this letter you will find exhibitor information and guidelines, new artist jury application and a registration form for returning artists.

Returning artists do not need to re-jury unless they change categories or add a category.

For either of these situations, the returning artist should submit materials in the new/additional category for jury review by **March 31, 2024**. See category descriptions on new artist jury form.

Returning artists should submit both a registration form and booth fee (non-refundable) by **May 31, 2024**, to:

**AAUW ART FAIR ON THE GREEN
Artist Registration
PO Box 2112
La Crosse WI 54602**

Checks should be made out to: AAUW Art Fair on the Green.

If you are an artist new to the fair or if has been 3+ years since your last show, please use the New Artist Application form as well as the Registration form. Images for jury review, all forms, and the fee must be received by March 31, 2024.

Please call or email if you have any questions.
